# CARRIER DOME PARKING

Major parking facilities for Carrier Dome events are in four locations: Skytop and Manley Field House on the University South Campus, Dome West parking lots, and selected University Hill lots near the Carrier Dome. We encourage you to arrive at least one hour before major events to reduce any traffic congestion.

For SU basketball events the Manley South lot is available on an individual game basis; for SU football only the Skytop lot is available. All other lots are on a season permit only basis.

When parking at Skytop or Manley, shuttle bus service to and from the Carrier Dome (College Place drop-off and pick-up) is included in the parking fee.

Parking for disabled football and basketball patrons is available at Skytop, with shuttle bus service to and from Gate A of the Carrier Dome. Please make your needs known to the parking attendant.

As parking for other events (concerts, scholastic, etc.) will vary, please call the Carrier Dome Box Office (315-443-2121) to see where parking is available. The cost of parking varies by event. Please note that illegally parked cars will be towed away at the expense of the owners.
