Dear Parent or Guardian:

We would like to invite you to our 8th Grade Parent Information Night. Due to the recent inclement weather, the 8th Grade Parent Night has been rescheduled. You and your student are cordially invited to attend a meeting on Tuesday, February 12th at 6:30 pm, in the auditorium at Watertown High School. The purpose of this meeting is to afford you an opportunity to gain information about the following:

- Course offerings at Watertown High School
- Typical schedule for 9th graders
- Setting realistic expectations for your child
- Requirements for the Class of 2023

The counselors of Watertown High School will be available to address any of the above issues and to answer any questions you may have relative to your concerns.

Your student will meet individually with his/her Case Middle School counselor to develop a schedule for the 2019-2020 year. A copy of this course selection will then be sent home. You may request an appointment to review the course selection with a counselor by calling the Case Middle School guidance department at 785-3880. We feel it is important that parents become involved in their son's or daughter's course selection process.

It is important that you and your student attend this meeting on Thursday, February 6th in the WHS auditorium. We look forward to seeing you then.

Sincerely,

Chad Fairchild
