

We will be starting a new attendance notification system for all of our K-4 buildings on Tuesday, November 13. Grades 5-12 have been using this service since September and it has been working extremely well. If your child is absent from school you will be receiving notification by phone, text, and/or email each day of the absence. Please remember to send in a written excuse to the attendance office. If you have any questions, please contact your child's school.

Thank you for making attendance a priority.

GO TEAM AWESOME!

Superintendent LaBarr
