

## The Watertown Cyclone E-Athletic Newsletter - May 2020

Even though our spring season was lost this year, the Athletic Office would like to announce that it plans to go ahead with Sports Awards in early June in a virtual format.

It was very regrettable, to say the least, that New York State lost half of the winter championship events, all of the spring season, and spring championship events to the COVID-19 shutdown. It is especially regrettable for the seniors who participate in sports and other extracurricular events.

The seniors at Watertown High School will still be eligible to earn the Frontier League Scholar-Athlete award if they earned a varsity letter (or most likely would have during the spring season this year), have an 85% or better overall average, or they are a member of the National Honor Society and they are in “good standing” with the school. A male and a female student in the senior class will also be picked to represent Watertown at the Section III Scholar-Athlete dinner (also in a virtual format). The Watertown City School District Graf Award will also be presented to a male and female student in the senior class. To be eligible for the Watertown Booster Club Award (presented to seniors), please fill out the “Watertown Athletics Booster Club Awards 2020” form and email to Mr. Emrich [gemrich@watertowncsd.org](mailto:gemrich@watertowncsd.org) by May 20. The form can be found here or on the school’s website.

Hopefully, all our seniors will find a way to continue playing the sport they love whether it is in college, an adult league, or just in the backyard!
